

Regional Workshop: The European Research Council (ERC) Focus: Starting & Consolidator Grants

04 December 2014

MPI for extraterrestrial Physics, Gießenbachstraße 1, Garching
New Seminar Room 1.1.18b

13:30 **Word of Welcome** – *Julia Epp, Head, EU Office of the Max Planck Institutes in the Regional Cluster Bavaria*

★*General introduction to the ERC and its funding schemes*★

13:35 **Report of an ERC Scientific Council Member**, *Prof. Reinhard Genzel, Managing Director, MPI for extraterrestrial Physics*

14:00 **The European Research Council – ERC Starting and Consolidator Grant Calls 2015** – *Stefanie Schelhowe, National Contact Point ERC/EU Office of BMBF*

15:30 Coffee break

★*ERC proposal evaluation*★

16:00 **Question & Answer Session with ERC Advanced Grant Panel Member (PE 9)**, *Dr. Linda Tacconi, MPI for extraterrestrial Physics*

★*ERC projects: Starting/Consolidator Grants/Proof of Concept*★

16:30 **Question & Answer Session with ERC grantee**
Report of experiences – *Dr. Eleftherios Goulielmakis, Group leader, MPI of Quantum Optics (ERC StG 2010, ERC Proof of Concept 2013)*

17:00 Networking/discussion on ERC evaluation & projects

Organiser:
