

***“About my career”***

# IMPRS-APS Alumni Meeting

on Friday, March 3<sup>rd</sup>, from 12:00 noon until 21:00

at the Max Planck Institute of Quantum Optics (MPQ), Herbert Walther Lecture Hall

## PROGRAM

12:00 Lunch at the MPQ Cafeteria, lunch tickets are distributed

13:30 until

Welcome by Prof. Matthias Kling

Session Chair: Matthias Kling

15:30

Talks of about 10 minutes each with discussion:

**Johannes Feist**, Universidad Autónoma de Madrid  
*From attosecond physics to molecular quantum nanophotonics, with some detours*

**Michael Jobst**, Boston Consulting Munich  
*Business from scratch*

**Christian Homann**, Laser Research Lab, Klinikum der Universität München  
*Vom Wissenschaftler zum Millionär – oder auch nicht.  
Von Freud und Leid bei Start-Up Gründung*

**Frederik Süßmann**, Development Engineer at GS-Vitec GmbH Munich  
*Developing high-speed software for high-speed cameras*

**Sergey Rykovanov**, Leader Junior Group, Helmholtz Institute, Jena  
*Theoretical and computational plasma physics in Helmholtz Institute Jena*

**Leah Sharp**, College of Marin (USA)/Physics Instructor  
*Why teaching is the best career choice*

**Matthew Walbran**, Optical Engineer at Orphidia Inc. London  
*Working at a medical startup*

**Georg Wachter**, Consultant McKinsey Vienna  
*Management consulting – what?*

15:30-16:00 Coffee Break and photo of alumni taken by Thorsten Naeser

16:00 until

Session Chair: Nick Karpowicz

18:00

**Michael Mikhailov**, Charité Berlin  
*Uni macht Spass! Clinical research at the Charité Universitätsmedizin Berlin*

**Tim Paasch-Colberg & Annkatrin Sommer**, TOPTICA Munich  
*Life at a Munich-based laser company – in R&D and Marketing*

**Friedrich Kirchner**, Development Engineer at Carl Zeiss Meditec Berlin  
*From femtosecond physics to medical technology – R&D work at ZEISS*

**Elisabeth Bothschafter**, Postdoc Paul Scherrer Institute, Switzerland  
*Postdoc around the world – science at large facilities*

**Sabine Keiber**, Project Manager R&D Instrument Systems Munich  
*From PhD to Project Manager in R&D – Lessons learned*

**Mattia Lupetti**, Software Engineer Brainlab Munich  
*Two years after my PhD: Life at Brainlab*

**Michael Korbman**, Consulting Company CALEO  
*Business Intelligence: challenges in data management*

**Robert Grummt**, Project leader IXDS (innovations agency)  
*Start a company*

**18:00 – 19:00 Buffet Dinner at the MPQ Cafeteria, for people registered**

**19:00 until**

Session Chair: **Hanieh Fattahi**

**21:00**

**Alexander Buck**, BMW Development  
*R&D Exterior Functions @BMW*

**Patrick Heißler**, Product Manager DELO Industriekleber  
*Keeping things together*

**Hanieh Fattahi**, Group Leader IMPRS-APS, and one year stipend at Harvard  
*Dedicated to Frau Wild*

**We wish you good luck!!!**
